“Politicians and bureaucrats in Washington, DC seem more focused on keeping their paychecks and careers than working to address the issues we’re facing today. I’m a proven conservative leader who will work each and every day to build a stronger future for you and your family and won’t stop fighting for our liberty and American ideals.”

SEND CONSERVATIVE MIKE GALLAGHER TO CAPITOL HILL

Washington, D.C. isn't working, as both parties fight over power and ignore the will of the people.

We need to fight to take back the people's house, and conservative Mike Gallagher is the man to lead the charge.

A 7th-generation Wisconsin native, Mike Gallagher grew up with a passion to serve his country and his home state, joining the United States Marine Corps the day after graduating from college.

During his seven years of active duty, Mike served as an intelligence officer, earning the rank of Captain. After the service, Mike spent three years working in the U.S. intelligence community, including tours in the National Counterterrorism Center and the Drug Enforcement Agency.

Mike presently works in the private sector as the Senior Global Market Strategist at Breakthrough Fuel, a Green Bay-based energy and supply chain management company competing in 48 countries around the world.

As our congressman, Mike will use his experience in the military and as a businessman to rebuild our military and help keep Americans safe, reduce the burden of taxes and regulations, slash wasteful spending, and defend our Wisconsin conservative values.
